

## **Local Roofing Contractor Wins Top Honors from Firestone**

**FLORENCE, Ky.** – March 2004 – Firestone Building Products Company recently presented Holland Roofing of Cincinnati Inc. with the 2004 Master Contractor Award, the Inner Circle of Quality Award and the Firestone President’s Club Award in recognition of the company’s excellent inspection ratings during 2003, and its ongoing commitment to quality roofing system installations. Holland Roofing of Cincinnati Inc. is one of only 35 roofing firms to earn the prestigious President’s Club Award this year.

“The Master Contractor distinction is a level of achievement reached by those contractors who consistently demonstrate superior craftsmanship and professionalism,” said Bob Delaney, vice president of sales and marketing for Firestone Building Products. “As an Inner Circle of Quality Award and President’s Club Award recipient, Holland Roofing of Cincinnati Inc. represents the best of the best in the commercial roofing industry. We applaud the outstanding work performed by Holland Roofing of Cincinnati Inc. and congratulate them on their success.”

2004 marks the ninth time Holland Roofing of Cincinnati Inc. has achieved Master Contractor status and the seventh year the company has been recognized as an Inner Circle of Quality Award winner. The company has received the President’s Club Award for the eighth time.

The Firestone Inner Circle of Quality Award honors Master Contractors who maintain a warranty repair record in the 75th percentile or better, and who consistently meet Firestone’s established standards for installation excellence. In 2004, 109 Master Contractors earned the Inner Circle of Quality Award for their proven dedication to long-term roofing system performance.

Firestone-licensed contractors earn the Master Contractor Award each year based on total square footage and Quality Points accumulated for achieving exceptional inspection ratings on Firestone Red Shield warranted RubberGard™ EPDM, UltraPly™ Thermoplastic and Asphalt-based roofing system installations. In the 17th year of the award program, 269 commercial roofing contractors throughout the U.S. and Canada achieved 2004 Master Contractor status. Firestone contractors who accumulate the highest level of Quality Points earn membership in the Firestone President’s Club.
